**Re: Freedom of Information Act Request**

Dear Mr. McDonald:

Pursuant to the Freedom of Information Act (5 U.S.C. § 552 *et seq.*), I hereby request all records (including, but not limited to, meeting minutes, electronic messages, notes, letters, drafts, etc.) between EPA Region 6 and LEAN, Ouachita Riverkeeper and/or Tulane Environmental Law Clinic, including, without limitation, any correspondence to/from Wilma Subra, Barry Sulkin and/or Cheryl Slavant, regarding the Georgia-Pacific facility in Crossett, Arkansas from January 1, 2014 through the date of your receipt of this request.

If any documents contain material that U.S. EPA deems subject to the attorney-client privilege and/or attorney work product doctrine, or any other FOIA exemption, I respectfully request that, to the extent possible, such documents be provided in redacted form. If any document is withheld on the grounds of attorney-client privilege and/or attorney work product or any other FOIA exemption, I would like to receive a list of such documents, including the document date, title, type of document, who it is addressed to and from, and the privilege or exemption claimed. In accordance with 5 U.S.C. § 552(a)(6)(A), please respond within 20 working days of receipt of this request.

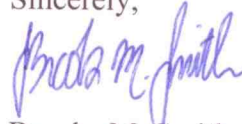

I am willing to pay reasonable administrative charges, as provided under the FOIA. Please let me know if the charges are expected to amount to more than \$250.
